PROGRESS REPORT #5

Name : Vaibhav Uniyal (PRN : 22070126126)

Progress Report No #5

From: 15-2-2026 to 28-2-2026

Dated: 28/02/2026

Working at : Worked on langfuse and integrating it into the whole pipeline, created the working of the intents of claim and branch details to the whole pipeline.

Project : CRM Automation

1. Hours worked during the period of report:

Total hours worked under the project **100 hours**.

2. Duties during the period of report:

During this period, my primary duty was to **Implement the langfuse into it project making the testing of our prompts and working on the flow for Claim and Branch details intents .**

- Researched about langfuse and how it can be implemented to improve the performance of our project.
- Learned about Salesforce, Kafka , Langfuse

3. New tasks planned during the period of report:

- Researching about langfuse and how it could be implemented in our system,
- Used it to fix the prompts and make them more robust.
- Make the flow for Claim and Branch Details.
- Making the errors and analytics presentable.
- Made a drastic change to inform about the serious issues using the cron and telling the errors on time so that they must be fixed then and there.

4. Network contacts established during the period of report:

Network connections established with dev and Kubernetes experts.

Working with some learned Kafka implementation team,

5. Personal insights during the period of report:

- Learned Langfuse
- Learned apache kafka integration on concurrent pods.
